Dear Holy Cross Parish,

Lent, a solemn 40-day period before Easter, holds profound significance for Catholics and other Christian denominations. Starting on Ash Wednesday, Feb. 14th and concluding on Holy Thursday, it is a season of prayer and preparation. Throughout Lent, Catholics engage in the spiritual disciplines of prayer, fasting, and almsgiving. These practices serve to deepen our connection with God, our awareness of Jesus' sacrificial love, and to prepare our hearts and minds for the Paschal Mystery- the journey of Jesus' passion, death, and resurrection. It is not too soon to be thinking and preparing to accept the invitation to reflect, repent, and renew our commitment to live a life of faith. Let's get ready and journey together.

Yours in Christ, Sr. Amy (614-282-2103)

Email Joshua van Cleef, Director of Peace & Justice, at jvancleef@cdlex.org by Feb. 9 to register and receive the full itinerary.

Gospel Reflection:

Jesus cures Simon's mother-in-law. She is so completely cured; she waits on them immediately. Jesus continues all kinds of cures and expels all kinds of demons as the whole town gathers at his house. But Jesus refuses to be locked into an identity as a wonderworker. He tells his closest disciples that his mission is to preach the good news that the reign of God is at hand. The cures he works are only a sign of God's reign breaking into the here and now. (Faith Sharing for Small Communities by Baranowski)

Reflection Question:

Relate an experience when you had to withdraw for a period of prayer and reflection in order to be reenergized.
