- Our maintenance worker, Eric Perry has stepped down from his position at Holy Cross, we thank Eric for 3 years of great service and wish him many blessings for the future. Holy Cross is more beautiful and safe because of your diligent participation!

Dear Holy Cross Family,  
All are invited by the Ministerial Association to our Community Thanksgiving Service and potluck at the First United Methodist Church. See invitation above.

Thank you to all those who have turned out to clean, repair, install, move stuff, and otherwise restore our church space to its original working area. There is still a lot of painting to do if anyone wants to come over and paint one afternoon. We are so excited to see the wonderful progress!

Yours in Christ,  
Sr. Amy (614-282-2103)

Garden Flag – gift from Eric Perry, thank you from all of us!

Gospel Reflection:

Today's Gospel passage is part of Jesus' talk on the end time, when the world as we know it will end and God's Kingdom will come completely. Jesus tells a parable that urges people to be aware of what God has asked them to do in their life and be ready for the arrival of God's Kingdom. The theme of this parable is that the wise are prepared to complete their task. The multiplication of the talents can be seen as an increase in good works performed in the name of Christ Jesus.

Reflection Question:

What helps you prepare your "light" for Christ's coming?
