Dear Holy Cross Family,

As you may know, Head Start will be moving out of our building by June 7th. WE are so grateful that Holy Cross Church was able to help them for the past two years after they lost their building in the Flood of 2022. We celebrate their recovery and the move into their new building near the hospital. We will have lots of clean-up to do before and especially after they move in order to set up the parish hall and bedrooms for our Sister Parish to visit us in mid-July. Please consider coming each week on Weds to help in the yard or whatever we need to be working on. It’s our Church together and it takes all of us to take care of it.

Also, a press release will happen later this month from our Bishop outlining our new diocesan commitment to environmental care and responsibility of our parish buildings, energy use, and grounds. Please be thinking about a plan we can make as a parish. We will set a Community Meeting about this after the press release.

May the Lord grant you his peace in Christ this Easter Season,

Sr. Amy (614-282-2103)

Third Sunday of Easter
Vigil, April 13, 2024

Gospel Reflection:

Today's Gospel teaches that God's Messiah *had to suffer* before entering into the glory of his risen life. The failure to grasp both aspects, suffering and glory, led many to reject Jesus. The two disciples on the road to Emmaus represent those whose hopes were dashed. If they had understood all the prophecies, not merely those promising a glorious Messiah, they would have realized that Jesus' sufferings were necessary to God's plan. The disciples were transformed by the presence of the risen Christ.

Reflection Question:

When have your eyes been opened so that you recognized the Lord walking with you?
