It has been a pleasure to celebrate this Lenten Season, and now the Joy of the Easter Season with you!

Easter is a time for hope: Hope for a fresh start, hope for justice, hope for peace, hope for reconciliation, hope for forgiveness, hope for life from the dead, hope that all that is wrong in this world will be made right.

Thank you one and all for all your service and hard work for these beautiful Triduum services. Let us continue celebrate the love and joy of the Risen Lord!

The Easter Vigil in the Holy Night
Vigil, March 30, 2024

Gospel Reflection:

We the followers of Jesus, now know what “true life” is. The glory of it is hidden in Christ. This world’s difficulty and darkness make it so. But it does not deter us. We know the tomb is empty, but our life is not void. It is filled with the glory of the Risen Lord, Jesus Christ.

It was those ordinary things. The bread and wine of the Eucharist reveal the risen Lord. Partaking of this meal, we become new bread ourselves, enriching daily life with sincerity and truth. Let us celebrate the feast!

Reflection Question:

What in you needs to die before you can be revitalized?
